

Christmas Colouring Book

Bring a little Christmas magic into every day!

Join our very special Hugh's House Teddy for a festive colouring adventure filled with Christmas cheer, friendly characters and magical moments.

A Little Christmas Magic is a specially created children's Christmas colouring book designed to bring smiles, creativity and a little festive happiness to children, particularly those spending time in hospital over the Christmas period.

With 10 original Christmas colouring adventures, little artists can help Teddy decorate Christmas trees, meet Santa, build snowmen, enjoy Christmas baking, unwrap presents and discover the magic of friendship and kindness. Each illustration features simple, child-friendly designs with bold outlines and plenty of space for little hands to colour, making this book a lovely activity for children of different ages.

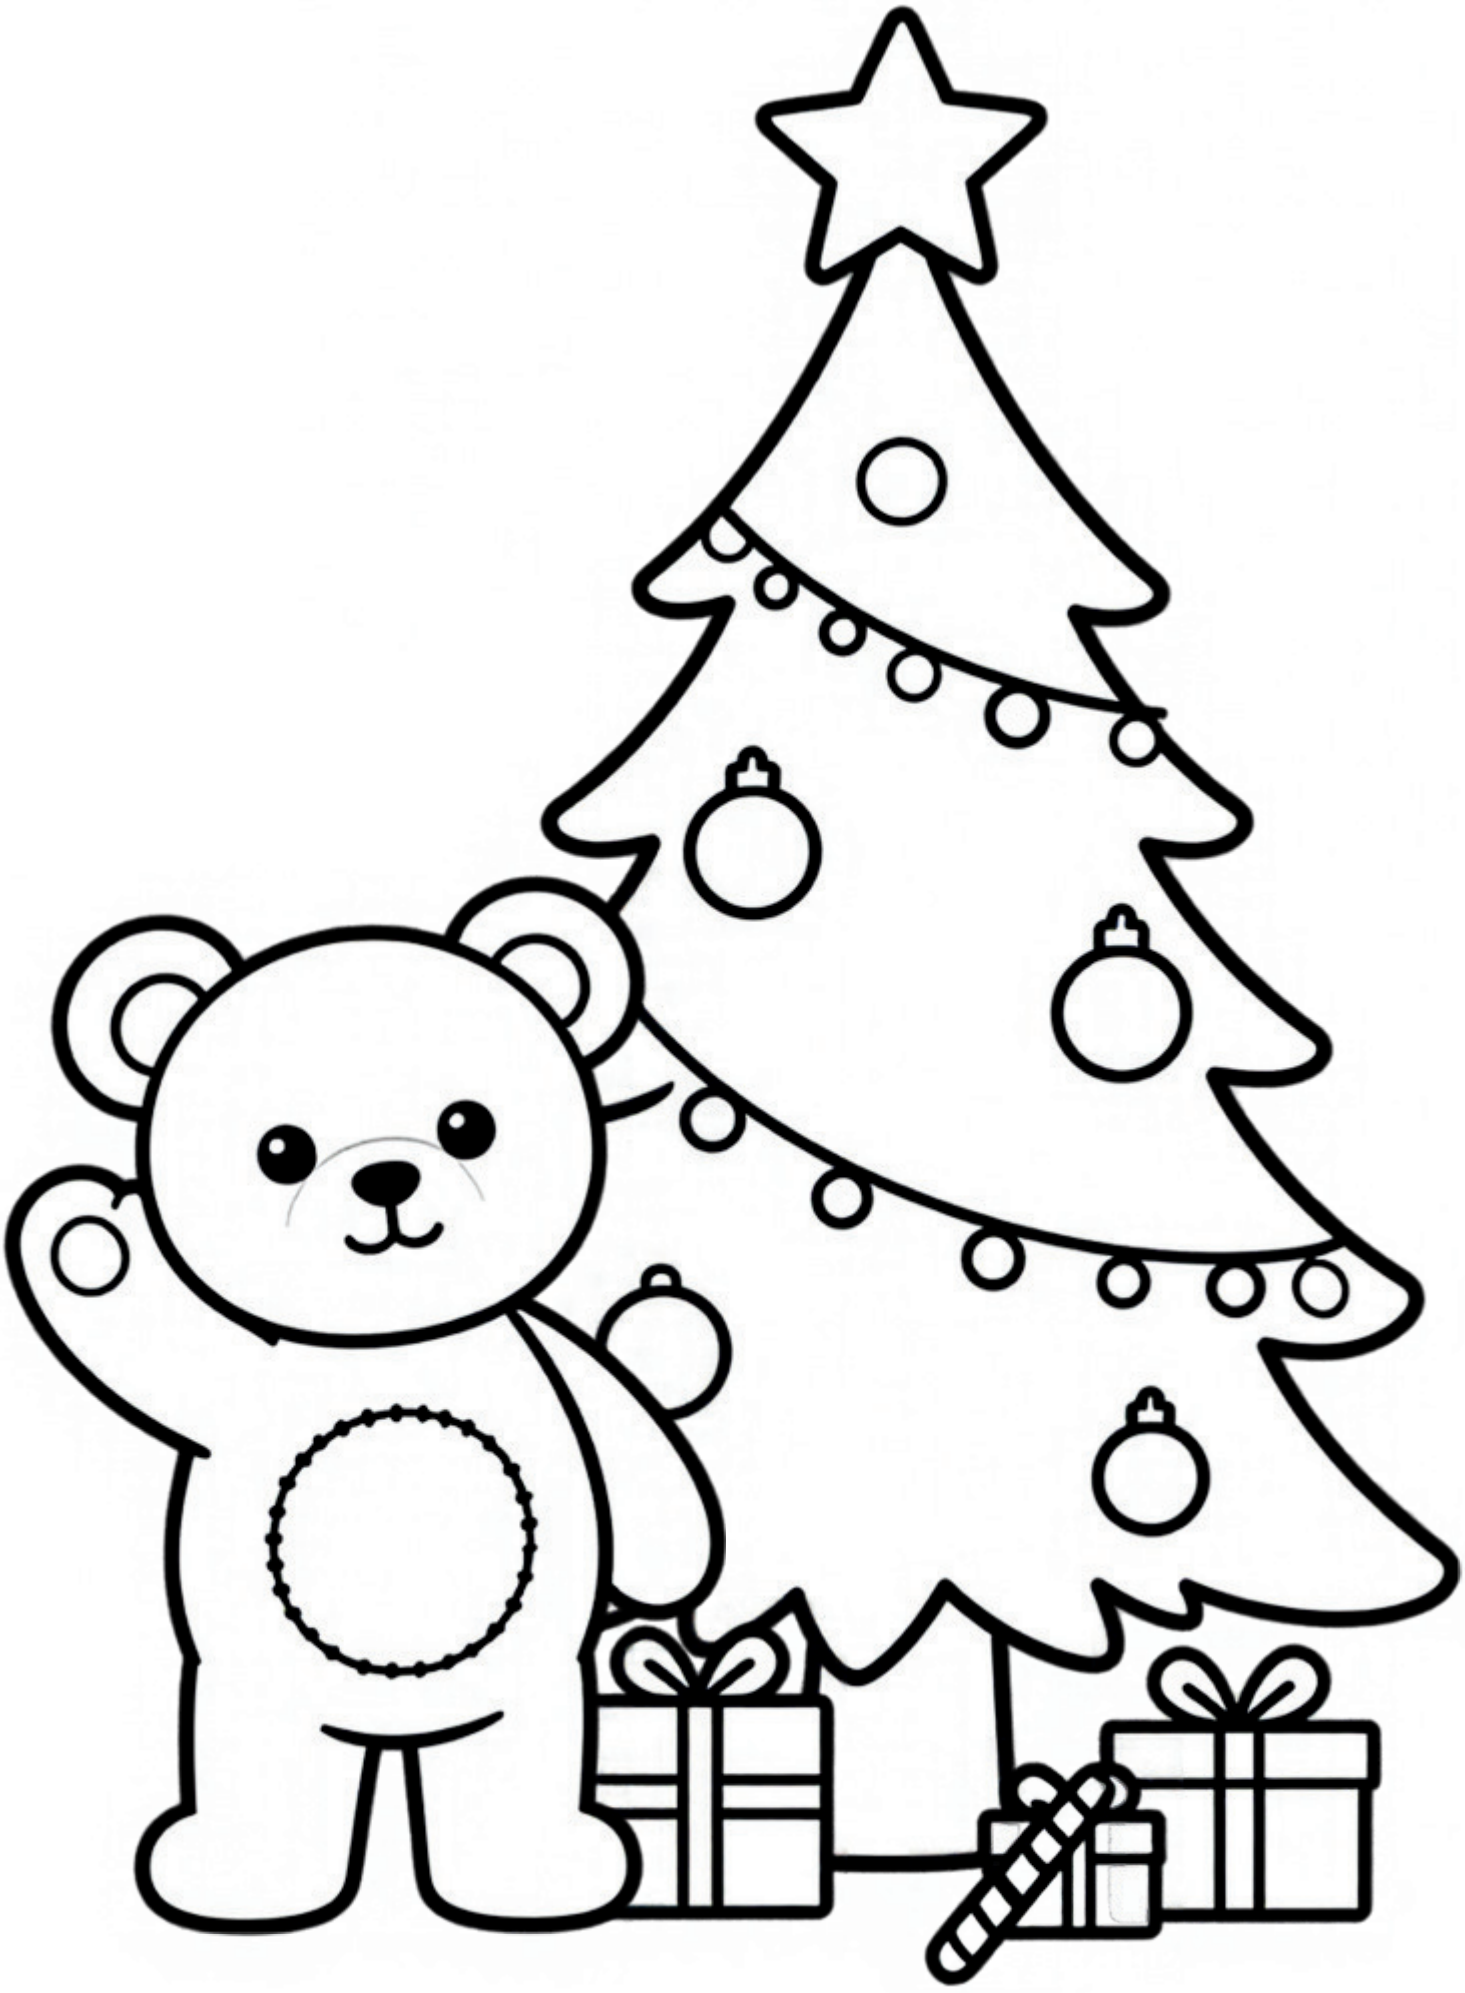

A Christmas gift with a little extra meaning

Created with love by Hugh's House, this colouring book reflects our belief that every child deserves moments of happiness, comfort and Christmas magic.

Hugh's House provides free accommodation and practical support to families whose children are seriously ill and receiving medical treatment in Dublin hospitals.

We hope this little colouring book brings some colour, creativity and smiles to children and families who need it most.

Created with love by Hugh's House – because a little kindness can make a big difference.

YOU ARE CHRISTMAS MAGIC!

Well, what an adventure we've had!

We've decorated Christmas trees, met Santa, played in the snow and shared lots of smiles along the way.

But do you know something?

The most magical thing about Christmas isn't the presents, the decorations or even Santa.

It's the kindness we share, the friends we make and the love we give to one another.

Always remember that you are special, you are loved and you can make a little magic wherever you go.

Thank you for colouring with me!

Until our next adventure, keep smiling,
keep dreaming and keep being YOU!
A great big Christmas hug from Teddy
and everyone at Hugh's House.

With love, Everyone in Hugh's House.
